Legal Disclosure:

1. Unless otherwise agreed by the parties or specified by Seller on an invoice, payment is due at the time of shipping. Acceptable payment methods are as follows: check, ACH, wire transfer, or credit/debit card. If Purchaser does not maintain a valid payment authorization (i.e., payment information) on file with Seller (credit/debit card for example), then Purchaser must either use the Online Payment Portal designated by Seller or make a payment by check, ACH, or wire transfer. Purchaser may change payment method on file by giving Seller notice and sufficient time to act on such notice.

2. If Purchaser elects to make a payment using the Online Payment Portal (via credit/debit card), then Purchaser agrees to pay an Administration Fee equal to 3% of invoice total. Purchaser may avoid the Administration Fee by making a payment by check, wire, ACH or by having payment terms of "Credit Card" and paying at the time of shipment. We reserve the right in our sole discretion to amend, modify, discontinue, or limit access to the Online Payment Portal at any time.

3. If Purchaser pays by ACH transaction, such transactions are bound by the National Automated Clearinghouse Association (NACHA) rules for business-related ACH debits.

Internet Minimum Advertised Price (MAP) Policy

DU VERRE
THE HARDWARE CO.

Du Verre allows a maximum 10% discount off retail list price for sales over the Internet

Du Verre is dedicated to supporting our brick-and-mortar showroom dealers by enforcing a strict Minimum Advertised Price (MAP) Policy. Here are the details of our policy:

- Our Internet Minimum Advertised Price (MAP) is 10% below the retail list price (MSRP).
- Our distribution is limited to brick-and-mortar professional showroom dealers, and distributors. We do allow bricks-and-mortar showroom dealers, and distributors that also have an Internet presence to sell online if they follow our Internet Minimum Advertised Price (MAP) Policy.
- The Du Verre brand name and all product identifiers must appear as part of all listings.
- The MAP policy does not apply to products announced as discontinued but that may still be in stock.

Du Verre is committed to proactively seeking out, finding, and dealing with Internet MAP Policy violators. Customer websites are checked during weekdays, and also checked evenings and weekends to catch those trying to play pricing games outside of regular business hours. We strive to find and fix MAP violations before we hear a complaint from another Customer. Policy violations result in suspensions and customer terminations, and we do several such terminations each year.

AUTHORIZATION TO SELL ON THE INTERNET

DuVerre is committed to protecting our brand image and its presentation to our end-consumer, so that it consistently reflects high quality and value both you and your customers have come to expect. Du Verre firmly believes that it is in both our and our customers' best interests to conduct business with authorized online retail partners that present our products in alignment with our brand image and adhere to our distribution and Minimum Advertised Price Policy. In order to sell our brands online, our authorized online retail partners have met certain requirements and must always adhere to our Minimum Advertised Price Policy. Please contact us at OrderDesk@DuVerre.com for more information.

Limited Lifetime Warranty

Du Verre warrants for the lifetime of the original consumer purchaser that the products will be free from defects in materials and craftsmanship.

OUR LIFETIME WARRANTY is our statement of confidence to our customers that our products are designed and manufactured to the highest standards in quality, style, appearance and durability. This warranty reflects a tradition of excellence and a commitment to superior manufacturing, innovative design and craftsmanship dedicated to you, our customer. This warranty is our pledge to you that we will proudly stand behind our products for as long as you own it.

This warranty covers any defects in material and craftsmanship, provided that the consumer purchased the products from an authorized distributor of Du Verre. Du Verre cannot guarantee the quality or condition of products from distributors who do not agree to meet our high standards, and therefore, no warranty is provided for products from unauthorized sellers.

HOW LONG DOES THE COVERAGE LAST?

This warranty lasts for the lifetime of the original consumer purchaser as long as you own your Du Verre product. The warranty is not transferable. Coverage terminates if you sell or otherwise transfer your Du Verre product, for example when you sell your home.

WHAT WILL DU VERRE DO?

At our option, we will repair or replace the defective product, or refund the purchase price of the defective product.

WHAT DOES THIS WARRANTY NOT COVER?

This warranty does not apply to products which have been subject to misuse, improper installation, accident, natural disaster, corrosive air, outdoor use, or have been altered. Products may experience changes in appearance due to normal wear and tear. This is especially true for hand-applied finishes like patina finishes and chemically created finishes. Such normal wear and tear is not a defect and is not covered by this warranty. This warranty does not cover any damages or expenses caused by any defective product. See product use and care below.

HOW DO YOU GET SERVICE?

Consumers need to work through the purchasing dealer. In order to be eligible for service under this warranty you need to:

1. Contact Du Verre at the address below, specifying the defect and providing your contact information;
2. Allow Du Verre to inspect the product at a reasonable time and at a reasonable location; and
3. Return the product to Du Verre within thirty (30) days after being instructed to do so by Du Verre, along with a description of the defect and documentation of being the original consumer purchaser.

YOUR RIGHTS UNDER STATE AND OTHER LAW

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state in the United States, province to province in Canada, and from country to country.

DU VERRE
3 MILLENNIUM WAY
BRANCHBURG, NJ 08876

PRODUCT USE AND CARE

All of our products are designed for indoor use only unless otherwise stated. Products should be cleaned only with a soft cloth dampened with clear water and wiped dry with a cloth. Water or soap residue should not be left on the product as chemicals or minerals contained within will eventually violate the protective coating and attack the finish. Do not use harsh cleaners or waxes to clean the product as these will also attack the protective finish and void the warranty.

PRODUCT VARIATION

Due to our hand-finished manufacturing process, you will see some lot-to-lot variation. Due to the nature of the finishing process, some products such as those with a hand-applied patina or rust finish will have lot-to-lot variations as to color and/or finish.
