Limited Lifetime Warranty

Vesta warrants for the lifetime of the original consumer purchaser that the products will be free from defects in materials and craftsmanship.

OUR LIFETIME WARRANTY is our statement of confidence to our customers that our products are designed and manufactured to the highest standards in quality, style, appearance and durability. This warranty reflects a tradition of excellence and a commitment to superior manufacturing, innovative design and craftsmanship dedicated to you, our customer. This warranty is our pledge to you that we will proudly stand behind our products for as long as you own them.

This warranty covers any defects in material and craftsmanship, provided that the consumer purchased the products from an authorized distributor of Vesta. Vesta cannot guarantee the quality or condition of products from distributors who do not agree to meet our high standards, and therefore, no warranty is provided for products from unauthorized sellers.

HOW LONG DOES THE COVERAGE LAST?

This warranty lasts for the lifetime of the original consumer purchaser as long as you own your Vesta product. The warranty is not transferable. Coverage terminates if you sell or otherwise transfer your Vesta product, for example when you sell your home.

WHAT WILL VESTA DO?

At our option, we will repair or replace the defective product, or refund the purchase price of the defective product.

WHAT DOES THIS WARRANTY NOT COVER?

This warranty does not apply to products which have been subject to misuse, improper installation, accident, natural disaster, corrosive air, outdoor use, or have been altered. Products may experience changes in appearance due to normal wear and tear. This is especially true for hand-applied finishes like patina finishes and chemically created finishes. Such normal wear and tear is not a defect and is not covered by this warranty. Living finishes such as Milano Bronze and Unlacquered Brass among others that change over time are not considered to be defective and do not fall under the warranty. Natural Stone Knobs will have piece-to-piece variations. These shade variations are inherent characteristics of all natural stone products. These variations enhance their beauty and are not considered defects. This warranty does not cover any damages or expenses caused by any defective product. See product use and care below.

HOW DO YOU GET SERVICE?

Consumers need to work through the purchasing dealer. In order to be eligible for service under this warranty you need to:

1. Contact Vesta at the address below, specifying the defect and providing your contact information;
2. Allow Vesta to inspect the product at a reasonable time and at a reasonable location; and
3. Return the product to Vesta within thirty (30) days after being instructed to do so by Vesta, along with a description of the defect and documentation of being the original consumer purchaser.

YOUR RIGHTS UNDER STATE AND OTHER LAW

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state in the United States, province to province in Canada, and from country to country.

PRODUCT USE AND CARE

All of our products are designed for indoor use only unless otherwise stated. Products should be cleaned only with a soft cloth dampened with clear water and wiped dry with a cloth. Water or soap residue should not be left on the product as chemicals or minerals contained within will eventually violate the protective coating and attack the finish. Do not use harsh cleaners or waxes to clean the product as these will also attack the protective finish and void the warranty.

PRODUCT VARIATION

Due to our hand-finished manufacturing process, you will see some lot-to-lot variation. Due to the nature of the finishing process, some products such as those with a hand-applied patina or rust finish will have lot-to-lot variations as to color and/or finish. Living finishes such as Milano Bronze and Unlacquered Brass among others that change over time are not considered to be defective and do not fall under the warranty. Natural Stone Knobs will have piece-to-piece variations. These shade variations are inherent characteristics of all natural stone products. These variations enhance their beauty and are not considered defects.

Internet Minimum Advertised Price (MAP) Policy

VESTA FINE HARDWARE® allows no discount off retail list price for sales over the Internet

Vesta Fine Hardware® is dedicated to supporting our limited partners by enforcing a strict Minimum Advertised Price (MAP) Policy.

The details of our policy:
Our Internet Minimum Advertised Price (MAP) is full retail list price (MSRP), no discounts may be offered.
Vesta Fine Hardware is only sold through a very limited and select group of professional partners.
All online sellers of Vesta Fine Hardware® need to be approved by Vesta Fine Hardware®.

As a premium brand, we believe that our customers need the service of our select partners to support our customers with the selection of this premium brand.

The Vesta Fine Hardware® brand name (Vesta Fine Hardware® or Vesta) and all product identifiers must appear as part of all listings.

The MAP policy does not apply to products announced as discontinued but that may still be in stock.

We are committed to proactively seeking out, finding, and dealing with Internet MAP Policy violators. Customer websites are checked during weekdays, and also checked evenings and weekends to catch those trying to play pricing games outside of regular business hours. We strive to find and fix MAP violations before we hear a complaint from another Customer. Policy violations result in suspensions and customer terminations, and we do several such terminations each year.

We do allow our authorized professional partners that also have an Internet presence to sell online if they follow this policy.

This policy is effective June 9, 2025 (the "Effective Date").
